Excerpt: .seeking homes would do well to take a look at this part of the county before purchasing elsewhere. WEST BRANCH PRECINCT. West Branch precinct consists of town 1, range 10, and the south tier of sections of town 2, same range, consequently it contains, superficially, forty-two square miles, mostly in the hands of actual settlers, a large portion of whom are Scotch, who are noted for their sturdy thriftiness. This precinct is especially noted for its numerous springs of excellent water, and as having an extensive quarry of the finest stone in the State. From this quarry was taken the stone for the court house and several business houses in this city. The precinct is also well supplied with timber--Johnson, West Branch and Wild Cat creeks running through it, each supplying its immediate vicinity with plenty of fuel. This precinct is especially adapted to raising...
