McCarthy, Jeanne McCarten, Helen Sandiford, Viewpoint is an innovative course that's based on extensive research into the Cambridge English Corpus, taking students to a higher level of proficiency to become effective communicators. Viewpoint Level 1 Student's Book A is for young adult and adult students who have reached an upper-intermediate level of English proficiency (B2). Units 1-6 in this level teach the language, skills, and strategies that students need to progress beyond intermediate level and to speak and write in English naturally, effectively, and appropriately. From the same author team as the ground-breaking Touchstone series, Viewpoint 1A also draws on the Cambridge International Corpus which underpins a highly effective approach to teaching English language.
