Date :2007-3-1. New language readers. the writing as an academic work to do. Whether readers of the text selection. scheduling system. or read the written proposal. all throughout our educational philosophy. and the pursuit of secondary language education. The reason why the name new language. but also to highlight the pursuit of consciousness and experimental. The new language readers and adapt to the current teaching system. sub-junior high school in two parts. based on the students learn and understand verbal stage characteristics and needs. psychological. emotional. intellectual aspects of development and spiritual growth phase characteristics and needs. to establish a progressive reading system. New language of the new. we were exploring the following aspects. The first is the preparation of guiding principles - the concept of language education. We believe that the quality of a person's language heard directly from his reading and writing practice. Among them. the reading is the foundation. is the key. Actually read. is author of spiritual dialogue with the text. Therefore. readers do not follow all the previous set of similar books have stuck to the language knowledge. reading and writing knowledge of the logical order. while the young people of different age stages of psychological growth and development of different characteristics and needs of the compile. Selected works not primarily as a language knowledge. reading and writing knowledge of the case. but the reader with the best ancient and modern thinkers. writers. scientists have a bridge for dialogue. We hope that through this bridge. that out of the narrow spirit of the original cave. the world civilization and sky clouds and enjoy the spirit of the...
