Brand New Book ***** Print on Demand *****.Societal fads often cause methods and techniques for self-motivation and self alteration to change as often as the wind shifts. What remains constant are the basic principles of self-realization that serve as catalysts for true transformation. Universal Success Code is a compact, yet thorough, guide for all who face problems in life or might need a bit of assistance in attaining goals. David Ellis uses real-life experiences to help readers tap into God's vital energy and vast potential. He challenges readers to become all that God's blueprint makes possible. Ellis provides reassuring concepts that vault readers into a fuller life by unlocking the very potential that all God's creatures possess to enjoy a life filled with joy and happiness. God wants us to change. It is in His plan that we will change, because only God is perfect, complete, and finished. Just as a potter does when faced with a flawed bowl or pitcher, God reshapes us through adversity. Believe that you can achieve. Treat yourself to a positive pep talk with this book. Don't delay living another day. Stop living life by looking backwards. DAVID ELLIS possesses extensive experience in the transportation industry. He also creates and directs network marketing sales teams, as well as develops motivational and marketing programs. Ellis conducts personal development seminars and helps individuals reach their desired dreams and potential. His first book, *Life's Not a Rehearsal*, was released in August 2004.
