Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Questions in History for Drill, Test and Review A practical Question and Answer Book should be comprehensive in scope without having too many and too detailed questions. It should furnish abundant material for drill, test, and review of the subject by means of well arranged and well graded questions, and should aim to cultivate in the student those qualities brought out in a good recitation by a skilled teacher. With these objects in mind this series of books has been written. The separate books are intended, not only for beginners, but also for students pursuing advanced and review work. Care has been taken to make each book complete. The papers given at civil service, college entrance, and Regents examinations have been carefully culled for suitable questions, and the material arranged topically and logically to emphasize principles as well as essential facts. The answers are supported by the latest authorities and in consonance with the accepted texts for the best elementary and secondary schools. To make the work more helpful, diagrams, illustrations, maps, topical outlines, and glossaries have been included. Acknowledgment is due to the many experienced teachers who have freely offered suggestions and criticisms designed to make this a most helpful text-book.
