Malone comes face to face with the shadowy figures behind the killing that once changed the trajectory of his career and his life in this globe-trotting thriller. A brilliant new idea that weaves together big-time financial skullduggery and the unknown last legacy of Napoleon takes the series in new directions - by bringing readers to Paris, France and by making it clear that not all of Cotton's trusted friends will make it through this adventure alive. There are currently almost 8,000,000 copies of Berry's books in print worldwide. 432 pp. Englisch.
