AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.One of the intriguing things about this story is the fact that clones are living with us today. The story revolves around Theodore and his clones. Theodore rises through the Priesthood bringing harmony and World peace. Two unsuspecting doctors develop a near perfect cloning procedure complete with accelerated growth to mimic the donor at any time in his life. The doctors motives are pure. However, these clones have no soul, no conscience. They commit terrible crimes with no remorse. They drown their children, even set them on fire. The clones have gone into their schools and shot their classmates. Death or pain have no meaning to them. The science of cloning continues. The research of body parts cloning provides the cover as harvesting becomes big business. Multi-billion dollar business to be exact. The true Theodore does wonderful things, however his evil clone who has been linked to him through a computer chip takes over and the World is Satan s! During a seance at the NATAS TEMPLE, Satan reveals himself and takes control of one of the doctors. He obtains complete access to the NATAS CHAMBER. Since the clones have no soul or spirit, Satan, (Theodore s Clone) gives them one of his. A spirit of evil, they become his disciples. A methodical plan of the replacement of people with their own clone, one controlled by a microchip directly connected to Satan is enacted. The procedure of implanting chips in people for identity safety begins. Without this mark people cannot buy or sell. As Theodore s clone continues to rise in power this practice becomes law. Theodore s clone mimics good and turns it to evil. He assassinates...
