Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When John first learns that he has cancer and only months to live, he is due to appear at his great-grandson s birthday party-and he wonders how he ll make it through the event. But he quickly comes up with an idea for the perfect birthday present for Eric-and the perfect legacy as well. In The Dog that Dined at Grandma s, John relives his childhood adventures with a dog named Boone and his neighborhood buddies by passing the story along to his great-grandson. He relays the trials and tribulations of a boy trying to transform a clumsy puppy into a refined hunting dog and the misadventures they experience along the way. John is able to give his great-grandson his own puppy, along with a story to remember him by and his undying love. But the two most important gifts I had given him as my days on earth dwindled were easy to see. I had shown him that it was okay to openly love and care about others. I had also helped him to see that many people loved him, even if it didn t always feel that way. Combining adventure, humor, and life-lessons, The Dog that Dined at Grandma s is a story that will be embraced by readers young and old.
