Reviews

Extensive manual for book fans. It really is simplified but surprises inside the fifty percent of your pdf. I realized this pdf from my dad and i advised this pdf to discover.

(Geoffrey Wiza)

THE WOMAN WHO MURDERED BABIES FOR MONEY

Paperback. Book Condition: New. Not Signed; See this lady? You would not want to lock horns with her. You certainly wouldn't give her your baby. But in the late nineteenth century, that's exactly what a lot of women did. Why? Because in an era when having a child out of wedlock was so severely frowned upon, Amelia Dyer took advantage of this. She advertised in the press offering to 'adopt' unwanted babies, charged the poor grief-stricken mums GBP 10 for the privilege, took the wee babes off their hands - and then drowned them in the River Thames. As well as relating the story, the authors explore the circumstances that enabled such crimes to be committed. Unregulated 'adoption' was a widely acknowledged problem. The Child Protection Act did not yet exist. book.
