Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This book is intended to show tourists how wonderful the country is even though it does have problems. With the premise that we can protect ourselves with the correct knowledge, the author lists the most common difficulties tourists have when traveling to foreign countries and what measures can be taken for them to protect themselves. Day-to-day problems matter little to a people who make one big party of their existence. The basic characteristic of Brazilians is to welcome all with open arms. The people are cheerful, festive, emotional, sensitive and, depending on their needs, they find a way to survive, the Brazilian way. There is a way here to achieve everything.
