GOSSIP KILLS

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 298 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Gossip pushed the protagonists brother into killing himself, and lies posted on the internet led vandals, stalkers, and burglars to the authors house, but the police wont help. Family dysfunction spreads across State lines to identity theft and internet crime. To the Chief of Pompano Beach Florida Police: I am contacting you reference a possible cult disappearancesuicide. I live in Virginia. I have a 50-year-old disabled brother in very poor physical and mental condition, living in Portland, Oregon, who is currently missing. . . I have a sister in Pompano Beach, Florida who has her own cult of which my brother is a member. . . . Thus begins the true letter to the police, and the true story, almost unbelievable, of the journey of one womans struggle to clear her name and remain true to her faith in God. On this journey she encounters the dreadful truth about her childhood, and the conspiracy to make her lose everything at the hands of her family. It is one womans jouney from the Bible Belt of Virginia, to Californias Silicon Valley, to la la land in south Florida. GOSSIP KILLS is a whodunitthat explores the motive of the police for not helping the victim, and the basic anti-Catholicism that flourishes in our time. This nonfiction, true crime book shows you how one person, with a strong faith in God, survived a dysfunctional familys gossip gone public, including the eruption into internet-induced crimes and identity theft. This item ships from La Vergne, TN. Paperback.
