There can be no doubt of the binary character of this pair, and it ought to receive more general attention, the more so as it may now be expected to close up. Assuming that the positions previous to 1856 are in error, and that the motion can be represented from 1856 to 1902 along a straight line from A to B, then the motion along this line is--From 1856 to 1868, annual motion of 004 2 1457.
