I am a song that vibrates the I am is how Benjamin Mantilla defines itself. From childhood he was intrigued to know why the world, the sun, the stars. I felt dismay with life and death, which looked with sadness and melancholy, which prevented confronting that reality. Through the years achieved the American dream, without possessing anything material, at 18 years begins a life making decisions directing the course of his life. He became a successful person in business, with money, houses, cars, yachts, and economic freedom, to do what his heart desired. In the midst of this economic stability, there was no peace, tranquility, and self worth. He destined all his personal achievements and all the wealth accumulated for inner happiness, always with the certainty and conviction that there was a different way to live life. Experimented a process that took him from total darkness to light, and peace, which describes saying permeated my whole being, I became part of that light, observing an unlimited world full of options to choose what I...
