Reviews

This created book is wonderful. It is amongst the most amazing book i have got go through. I am just effortlessly will get a enjoyment of looking at a created publication.

(Prof. Jasper Murazik PhD)

LANZAROTE TOUR TRAIL SUPER-DURABLE MAP

Discovery Walking Guides Ltd, United Kingdom, 2016. Sheet map, folded. Book Condition: New. 4th Revised edition. 235 x 120 mm. Language: English . Brand New Book. Lanzarote Tour Trail Super-Durable Map 4th edition covers this big island at a scale of 1:40,000 resulting in the most detailed and toughest map of Lanzarote that you can buy. New for the 4th edition of Lanzarote s favourite map are; Arrecife Circunvalacion (bypass) now upgraded to motorway status with elevated roundabout junctions, GR131 official long distance walking route mapped in full and specially detailed for every step of the way on trails, tracks, dirt roads, country lanes, streets and roads from Orzola to Haria to Teguisse to Montana Blanca to Yaiza to its finish in Playa Blanca. All the country walking routes from Walk! Lanzarote are clearly detailed in a new enhanced format similar to the GR131 - GR in Green Walk! routes in Red. New font specifications make place names easier to read and identify where you want to go. 20 metre contour mapping gives a detailed view of the terrain of this interesting island. Also included is a full island map of La Graciosa at 1:40,000 scale for those people adventuring or staying on the island. Getting such a large island onto one map sheet at 1:40,000 scale means that we have had to split the island into a North-East section on one side and a South-West section on the other side, with a generous overlap between the sections. At 1:40,000 scale the level of detail we can include on the map is awesome compared to any other map of the island that you can buy. In addition to the usual high level of detail on our Tour Trail Maps we have special Lava fills to define the lava fields and a...
