Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

FOR MICHAEL (PAPERBACK)

New Generation Publishing, United Kingdom, 2004. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. This is a book of poems derived from actual events that took place in the presence of a man whom millions of people around the world are intrigued by, Michael Jackson. Finally a book written revealing the truth and love this wonderful man has to offer the world. The poems written in this book are poems of love, betrayal, and sometimes impulse emotions that have been written in a tasteful manner to connect you to the Michael I know. From the day I met him in book store to the day I spent at Neverland, I can only hope I make the world understand what a beautiful man and wonderful father he is. Every poem is unique in its own way, conjured up from the feelings that millions of us has felt in his presence. I have always believed in Michael s cause and can now personally say that he truly is a great human being on a journey to help all children. So with that, I give you my version of Michael Joseph Jackson. The Michael you think is made of magic and mystery. The Michael you yearned to understand. And for you Michael, this book of poems, a piece of the puzzle hopefully helping the world to see what I see.
