## RENEWING AMERICAN CULTURE

Hardback. Book Condition: New. Not Signed; The rapid changes affecting America and the world have been led by economic and technological forces. The cultural dimensions of this change have been largely ignored in the process. Without significant advances and innovation in the realm of culture and value, the huge economic and technological gains of the recent past are exposed to great risk. In the face of these changes and challenges, this book asks: are we facing sunset or dawn? The...
