Reviews

The book is great and fantastic. it had been writtern extremely perfectly and valuable. I am very happy to let you know that here is the finest pdf i have read through within my own life and can be he very best book for actually.

(Miss Rossie Fay)

THE PRONUNCIATION OF ENGLISH I. PHONETICS. I. PHONETIC TRANSCRIPTIONS

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 30 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1909 Excerpt: . . . of a preceding or following velar consonant--bacon, beikrj (59); congress, korjgres (compare congratulate, kangraetjuleit). Another is that of k, g to t, d under the influence of a following i, e. g. tli: n dIAVZ for kli: n gIAvz (clean gloves). (This latter assimilation should be avoided.) 191. Another very common assimilation is that of J to 3() under the influence of a preceding z(s) or d(t) (100, 101). 3() is intermediate in tongue-position between z(s) and j. Hence the coalition of z(s) and J naturally gives 5(), see fig. 9. 192. The tongue-position for d(t) is much the same as that for z(s), except that actual contact is made by the tip of the tongue against the upper gums. The d(t) has therefore influenced the J by drawing the front of the tongue somewhat downwards, thus changing the sound into 3(). 193. (4) Assimilations affecting the position of the lips. 194. The k in quite, kwait is pronounced with liprounding under the influence of the following w. A labio-dental nasal consonant is sometimes used instead of m, when followed by f or v, as in comfort, k and mfat. n sometimes becomes m under the influence of a preceding labial, e. g. oupm for oup(a)n. VII. QUANTITY 195. All sounds may be continued during a shorter or longer period. For practical purposes it is sufficient to distinguish two or at most three degrees of quantity (long and short, or long, half-long and...
