Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Source of Wolfram s Willehalm: With One Plate The subject of the following study was suggested to the writer by Professor Samuel Singer of the University of Berne, Switzerland. The publication of an edition of Aliscans with an approximately complete set of variant readings (Wienbeck, Hartnacke, Rasch, Halle 1903) seemed to warrant a fresh comparison of Wolfram s version of the story of the battle of Aliscans with the Old French versions, notwithstanding the fine work on the subject published by Fraulein Nassau Noordewier in her thesis entitled Bijdrage tot de Beoordeeling van den Willehalm. Delft, 1901. The discovery and publication (Chiswick Press, 1903) of the Chancun de Willame gave a new interest to a search for further sources of the material still unaccounted for in Willehalm. A plan was made for a study to be divided into four chapters; the first to contain a comparison of Willehalm with its Old French sources; the second, parallel summaries of Willehalm and Aliscans; the third, a detailed analysis of all differences between Willehalm and Aliscans; and the fourth, a critical comparison of the literary value of the two poems, based on the preceding work. It is the first chapter alone, which is offered here to those interested in the subject. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
