Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Treatise on the Inspection of Concrete Construction: Containing Practical Hints for Concrete Inspectors, Superintendents, and Others Engaged in the Construction of Public and Private Works It is but fair to say that the great bulk of the matter contained in the book, though portions of it have appeared previously in other forms in the author s contributions to the technical press, was collected and worked up originally by the author. Where this has not been the case the original data have been added to and re-analyzed by the author. Under the above circumstances it has been impracticable to give specific credit in the pages of the book to every source from which the author has drawn aid; instead, a list of the various text-books and technical dictionaries consulted is given at the end of the book. To the authors of these works the writer desires to give his thanks and acknowledge his indebtedness for information and suggestions. The author wishes here to especially acknowledge the help secured from the volumes of Engineering and Contracting,...

### Reviews

*A whole new e book with a brand new point of view. I could possibly comprehended every thing using this written e book. Its been written in an extremely simple way which is only soon after i finished reading through this ebook by which actually modified me, change the way in my opinion.*
