Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

Jewish Lights Publishing, United States, 2008. Board book. Book Condition: New. Bethanne Andersen (illustrator). 131 x 122 mm. Language: English . Brand New Book. We know the story of Noah, but what about Naamah, Noah s wife? Ideal for young girls and boys, this simple, beautiful book will help you and your child explore the spirituality of this ancient story. Much has been written about the importance of reading simple, beautiful books to babies and preschoolers to stimulate brain development. But perhaps even more important, what you read begins to shape your child s world, and creates the images that will remain with him or her throughout life. We read books to our children about letters, numbers, shapes, colors, and safety, but do we give their minds the early food they need to think about life s bigger questions? As spiritual development experts now tell us, each child develops an image of God by age 5, with or without religious instruction. Naamah, Noah s Wife takes you and your child on an imaginative journey designed to help you open not only your child s mind, but your child s heart and soul as well. Based on the award-winning picture book Noah s wife: The Story of Naamah.
