Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

AMUSEMENT MACHINES

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Amusement Machines, Lynn F. Pearson, Amusement machines were all built for the exact same purpose: parting customers from their hard-earned money. Yet the ways in which these machines have done this is as varied as the glorious designs that have adorned them. Machines range from the mutoscopes that showed 'What the Butler Saw', through to pinball machines, fruit machines, the classic one-armed bandit, and the penny slot machines that are so evocative of seaside holidays and Edwardian amusements. They continue up to more modern versions of the amusement machine, like table football and golf machines. "Amusement Machines" charts this stunning range, and investigates the changes in their design and evolution over time.
