1) Operation Telic VIII - The British Army in Iraq Carl Schulze continues his enthralling look at troops in Iraq, and this time the spotlight falls on the British Army. Operation Telic is the British designation for operations in Iraq, and a full thirty pages are dedicated to Telic's eighth rotation. The whole gamut of British Army hardware is on display, including Land Rovers, DURO trucks, Cobra truck-mounted radar, Saxons, Warriors, Scimitars, Challenger 2 tanks, and even a range of helicopters. Their operators are also well covered, and photos reveal interesting uniform and weapon details. For a detailed look at Brits in Iraq, this article fits the bill! 2) Operation Athena - Canadians in Afghanistan One of the stalwarts in the NATO-led stabilization of Afghanistan is Canada. The Canadian Army supplies numerous troops to ISAF, and they are supported by a wide range of equipment. This article examines the contingent in Kabul, which has by now relocated to Kandahar. There is good coverage of the LAV family, with Bisons, Coyotes and LAV III's all captured in high-quality photos. Infantry equipment...
