Books We Love, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.A terrible mistake has been made, and her insistence of innocence falls on deaf ears. Even her fellow inmates don't believe her as it's a claim they all make. Alone in the world, she has no one to turn to for help, and not a single soul to campaign for her freedom. At least until she makes a valuable friend. In the meantime, a plan for retribution is brewing, and naive Carrie finds herself smack dab in the middle of an evil scheme concocted by the prison bully. A ten-year sentence seems mild when she's threatened with death for refusing to participate. Can Carrie find a way out of this horrible nightmare, or is she destined to spend her days locked in terror, isolation, and the cold gray interior of prison walls? Ginger Simpson pulls the reader in on page one and doesn't let go until the end of the story. What a brilliant, emotional story - one I will never forget. Bravo, Ms. Simpson for writing a masterpiece! Marie Higgins Have you ever wondered how it might feel to be wrongly accused? Ginger Simpson masterfully takes you on such a journey. Readers are emotionally drawn to the trials and tribulations of the main character, Carrie. For a suspenseful look at life behind bars and a story that promises justice in the end, I highly recommend First Degree Innocence.
