Brand New Book ***** Print on Demand *****.As the sun rose over the Lizard, the southernmost point of old England, his rays fell on the tanned sails of a fleet of boats bounding lightly across the heaving waves before a fresh westerly breeze. The distant shore, presenting a line of tall cliffs, towards which the boats were steering, still lay in the deepest shade. Each boat was laden with a large heap of nets and several baskets filled with brightly-shining fish. In the stern of one, tiller in hand, sat a strongly-built man, whose deeply-furrowed countenance and grizzled hair showed that he had been for many a year a toiler on the ocean. By his side was a boy of about twelve years of age, dressed in flushing coat and sou wester, busily employed with a marline-spike, in splicing an eye to a rope s-end.

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
