iUniverse. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Book Description: In the northwest corner of Nevada, the high desert has laid its claim on people of the land since long before the native Americans who made their home around Pyramid Lake. Legends and myths surround the Black Rock country as vaguely as the winter mists creeping in from the mountains. It is a land of cattle and mining and sheep. In the middle of the twentieth century horses gave way to Toyota Land Cruisers and war surplus Jeeps, and the Basque and Portuguese shepherds moved great flocks of sheep for hundreds of miles. The dogs who were both labor and companions got used to the sound of engines. There were few towns and many lonely ranches. This is a story about one such town and the events which reshaped its life. Author Bio: Jack Poole pursues writing as a second career. He was raised in Michigan, graduated from DePauw University in Indiana, and enjoyed a 31 year engineering administration career in California. Mr. Poole lives and works in Nine Mile Falls, Washington, where his cat, Charlie, is a constant critic. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
