Faulkerson wants to communicate to today's fathers. With 24 million children in America - one out of three - living without their biological fathers in the home (not to mention the forces that are mobilizing to rob them of a peaceful and prosperous future), the time for REAL MEN to exert their God-given power, authority and influence is now. Gone are the days when fathers allow their self-worth to be measured by hefty paychecks. Today's challenges require fathers to form HUDDLE GROUPS, and work with their wives (and children's mothers) to help children selflessly and righteously achieve success.
