Fifty Shades of Grey meets Revenge in this tantalizing new series about a young woman who s willing to do anything in the name of vengeance. The teasing tongues of his leather whip. The black lace blindfold. And that mysterious, provocative little wooden table. These all mean just one thing for April. The game is on. Liam is opening a whole new world of thrills for April. It s only a matter of time before she s close enough to seize her revenge. But when she catches a glimpse of the real Liam, her resolve falters. Despite his dark past, the more she learns about him, the more he begins to consume her thoughts. And when a familiar face unexpectedly comes to town, the whole house of cards threatens to topple over. This book is intended for mature audiences.
