Roaring Brook Press, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This retelling of the classic story is packed with humor, and their signature style of creating bold images makes each page pop. -Florida Times-Union As they did in *Chicken Little* (2009), the Emberleys present a stylish take on a well-known fable. Shapes and colors collide playfully in hyperbolic collages--the animals crazed, mismatched eyes alone should elicit giggles. -Publishers Weekly The short, simple text allows for instant audience participation and offers a satisfying lesson on cooperation and fairness. A perfect read-aloud for storytime, this is another fresh, fun twist on a well-loved folktale. -School Library Journal Following the success of their *Chicken Little* (2009), the Emberleys join forces to reinterpret another avian folktale with artwork that is somewhat reminiscent of Byron Bartons collaged version of the same story, but with a generous helping of zany color and wacky personality thrown in. -Kirkus Reviews.
