

How to Lose Weight by Speeding Up Your Metabolism: Foods That Speed Up Your Metabolism and Metabolism Boosters (Paperback)

By Miss Casey Stark

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a fat burning machine that can burn off your excess weight for you, completely free and you don't even have to go on a diet or even eat less! Inside your body working away right now, burning calories is your metabolism. Your metabolism burns off over half of the fat and energy your body uses every day without you even thinking about it or probably even knowing it. We can easily boost the built-in fat burning ability of our bodies to help us burn off even more excess weight by simply eating regularly and choosing more foods that boost our metabolisms. The best thing about this is that your metabolism never stops, it's literally 24/7. So if you speed it up, you will be literally burning fat in your sleep. In this guide I will take you through everything you need to know about how exactly your metabolism works to increase your understanding and help you better grasp the science behind the system. I will explain how your metabolism is totally unique to...
