Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.For some time, it has lingered restive, waiting to waken as if from a dormant state, an irresistible and fundamental basis of inquiry from which certain questions had formed as to whether there were true spiritual blessings bestowed on the whole of the Reformation movement, and which extended to all its leaders and the revolting rabble, and also, whether it was the right or even the best action to take, and also, whether the virtuous means and the unwitting results, were all that pleasing to God? These questions seem to beg for reasonable and truthful answers. And along with these questions there is an unequivocal assumption that the Reformation and the Protestant Revolt occurred primarily for the benefit of the Catholic Church. This book lays out the reasons in what-if perspectives and proves that Protestantism is truly a false religion, while stipulating that some of its members, like most Catholics are all truly Christian children of the God of Israel. The book also details the reasons why non-Christian religions, and most Protestant denominations are in discord with the Word of God.
