This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

Billy Tonelli, orphaned suddenly at an early age, was a gentle, rudderless dreamer, growing up in his own world. First there was the cowboy period, then cops, then spies. Always there were Kung-Fu movies where good, pure-hearted men saved beautiful damsels in distress by kicking the crap out of anything that moved. He always wanted to live like Gauguin. Not that he could paint anything other than a paint-by-numbers horse and jockey- its just that he always wanted to live amongst joyous, half-dressed native women who would look up to him as a god-like fire master. He knew it was possible. He had seen the movies. In Tales On Tap Billy suddenly finds himself the bartenderfront man for his shady uncles, operating a tavern on Chicagos North Side, and must grow up mentally and socially through the experiences and influence of his regular clientele. A behind-the-scenes legend of Rock and Roll, his young apprentice, the legends pretty artist girlfriend and her even prettier cousin. A Polish immigrant former coal-miner. A mob kingpin and his hit-man bodyguard who dream of living different lives. A banana republic dictator. An occasional visit from a member of The Worlds Greatest Rock and Roll Band This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
