THE ATOM STATION

[DOWNLOAD](#)

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Atom Station, Halldor Laxness, When the Americans make an offer to buy land in Iceland to build a NATO airbase after World War II, a storm of protest is provoked throughout the country. The airbase provides Laxness with the catalyst for his astonishing and powerful satire. Narrated by a country girl from the north, the novel follows her experiences after she takes up employment as a maid in the house of her Member of Parliament. Marvelling at the customs and behaviour of the people around her, she emerges as the one obstinate reality in a world of unreality. Her observations and experiences expose the bourgeois society of the south as rootless and shallow and in stark contrast to the age-old culture of the solid and less fanciful north. A witty and moving satire on politics and politicians, Communists and anti-Communists, phoney culture fiends, big business and all the pretensions of authority, Laxness' masterpiece of social commentary is as relevant today as when it was written in 1948.
