THE DARKER SIDE OF BLACK MONEY (SECOND REVISED EDITION)

Konark Publication, New Delhi, 2013. Soft cover. Book Condition: New. 367pp. When former Swiss banker Rudolf Elmer handed over information about bank accounts of over 2,000 individuals to WikiLeaks, it stirred the world. This was probably the first step towards the opening of a closet of skeletons, and skeletons they were of politicians, god men, terrorists, oil barons and kings. The details are still awaited but even then, the fact largely known but seldom acknowledged, primarily because of the high-profile names attached with it, has hit the headlines both in India and abroad. From funding terrorism to destabilizing a government, this dirty money comes in handy in everything that is murky and illegal. This book unfolds the mystery and explains the modus operandi of this dirty money business. This revised edition includes new material on the rise and growth of...
